Chocolatto (Dark)

Espresso (Dark)

Truffle (Dark)

Urban Blue (Medium)

Highlands

The Highlands range is an Australian classic with a truly unique appearance. Blackheath has a deep, rich texture and colour with veins of blue and dark brown running through the face of the brick.

Blackheath (Dark)

Simply Hamptons

With the Simply Hamptons brick range, you can look forward to the weight of each day being gently lifted the moment you reach home. Inspired by the low key luxury of the Hamptons, this fresh, crisp and classic colour palette has been designed to infuse any home with a warm and welcoming air.

Breeze (Medium)

Fresh White (Light)

Sculpted Grey (Medium)

Wilderness Collection

It's the subtle depth and variation of colour that's captured in every brick that brings this range to life. Inspired by the beauty of Australia's wilderness, these bricks make a dramatic visual proclamation when contrasted against modern building materials.

Silver Birch (Medium)

Grey Gum (Dark)

Blue Gum (Dark)

Blackbutt (Dark)

Whitsunday Range

The Whitsunday range floats driftwood-inspired tones suitable for modern applications on a sea of traditional interpretations, pairing well with timber and stone to create your ideal piece of paradise

ROOF TILE Upgrade

Classic Profile

Modern and simple, the smooth linear finish works well in city or coastal environments.

Prestige Profile

Understated and simple, the Prestige profile is eye-catchingly elegant and timelessly refined.

Atura

Atura roof tiles are exceptionally versatile with a timeless and subtle low profile. This classically styled roof tile showcases an authentic charm that will enhance any Australian home.

Horizon

Monier's Premium Collection delivers the ultimate flat roof tile, designed to deliver a sleek and streamlined look that integrates seamlessly with modern Australian architectural trends.

Upgrade to COLORBOND RAINWATER TANK

The rounded ends of a Slimline Tank create a sleek, modern look, elevating the aesthetics of water storage. Manufactured using genuine Bluescope AQUAPLATE® Steel with a fully engineered internal stainless steel support frame.

Choose from a wide range of Colorbond® colours to suit.

Colorbond®

DISCLAIMER: Photographs & images are representative only. Firststyle Homes reserves the right to modify above inclusions and specifications with an equivalent without prior notice. In the event that recycled water is available to the site, Firststyle Homes will provide a recycled water connection in lieu of rainwater tank and the colorbond rainwater tank upgrade will not apply

ROOF SARKING Upgrade

Roof sarking is a pliable laminated membranve containing an aluminium foil lining that's positioned under tiled roofs like a protective second skin. Benefits include:

- **Improves thermal performance** by reducing heat flow through the roof, helping to provide a more energy efficient and comfortable home.
- **Restricts the flow of moisture** both in and out of your building structure which helps protects your home from unseen mould growth, ceiling staining and permanent damage.
- **Provides a secondary form of ember protection** for the roof space for BAL (12.5 to 40) regions.
- **Limits dust entering the home** through gaps around downlights and vents by reducing draughts that blow dust into the roof space
- **Helps protect your home from the entry of storm driven rain.**
